**INFORMATION CIRCULAR**

**SOLICITATION OF PROXIES BY MANAGEMENT**

**This management information circular (the “Information Circular”) is furnished in connection with the solicitation of proxies by or on behalf of the management of Sona Nanotech Inc. (the “Company”) for use at the annual meeting (the “Meeting”) of the shareholders of the Company (the “Shareholders”) to be held at 1969 Upper Water Street, Suite 2001, Halifax, Nova Scotia on April 29, 2026 at 4:00 p.m. (Halifax local time) and at any adjournments thereof for the purposes set out in the accompanying Notice of Meeting.** Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally, electronically or by telephone by directors, officers, employees or consultants of the Company. Arrangements will also be made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of common shares of the Company (“Common Shares”) pursuant to the requirements of National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“National Instrument 54-101”).

The Canadian securities regulators have adopted rules under National Instrument 54-101, which permit the use of notice-and-access for proxy solicitation, instead of the traditional physical delivery of material. This notice-and-access process provides issuers with the option to post meeting related materials, including management information circulars, as well as annual financial statements, and related management's discussion and analysis, on a website in addition to SEDAR+. Under notice-and-access, such meeting-related materials will be available for viewing for up to one (1) year from the date of posting, and a paper copy of the material can be requested at any time during this period. The Company is relying on the notice-and-access provisions of National Instrument 54-101 to send proxy related materials to beneficial owners of shares in connection with the Meeting.

The Company is using the notice-and-access rules adopted by Canadian securities regulators to reduce the volume of paper in the materials distributed for the 2026 annual general and special meeting of shareholders. Instead of receiving this circular with the proxy form or voting information form, shareholders received a notice of the meeting with instructions for accessing the remaining materials online.

The Company has sent the notice of the meeting and proxy form directly to registered shareholders, and the notice of the meeting and voting instruction form directly to non-objecting beneficial owners. If you are a non-registered shareholder, and the Company or its agent has sent the notice of meeting and voting instruction form directly to you, your name and address and information about your holdings of the Company's shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding them on your behalf. The Company is not paying the cost for intermediaries to deliver the notice of meeting, voting instruction form and other materials to objecting beneficial owners.

The notice of meeting, Information Circular and the proxy form can be viewed online at [www.envisionreports.com/Sona2026](http://www.envisionreports.com/Sona2026), on the Company's website ([www.sonanano.com](http://www.sonanano.com)) and on SEDAR+ ([www.sedarplus.ca](http://www.sedarplus.ca)).

You can ask for free paper copies of the notice of meeting, this circular, and the proxy form or voting instruction form to be sent to you by mail. If you want to receive copies before the meeting and voting deadline, make your request right away to allow enough time for the items to be delivered to you. You will need the control number on your proxy form or voting instruction form to make the request. Requests must be made by April 15, 2026.

If you have a 15-digit control number call 1-866-962-0498 (toll-free within North America) or 1-514-982-8716 (outside North America)

If you have a 16-digit control number call 1-877-907-7643 (toll-free within North America) or 1-303-562-9305 (outside North America)

Enter the control number as it appears on your proxy form or voting instruction form or voting instruction form.

Requests can also be made up to one year from the date the meeting materials are posted on [www.envisionreports.com/Sona2026](http://www.envisionreports.com/Sona2026) and the Company's website ([www.sonanano.com](http://www.sonanano.com)). If you have questions about notice and access or want to order paper copies of the meeting materials after the meeting, please contact the Company by phone at 1-902-442-0653 or write to our Corporate Secretary:

The Company may reimburse shareholders' nominees or intermediaries (including brokers or their agents holding shares on behalf of clients) for the cost incurred in obtaining from their principal's authorization to execute forms of proxy. The cost of any such solicitation will be borne by the Company. Unless otherwise stated, the information contained in this Information Circular is given as at March 16, 2026.

### **APPOINTMENT OF PROXYHOLDERS AND COMPLETION AND REVOCATION OF PROXIES**

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons named in the enclosed proxy (the "Management Designees") have been selected by the directors of the Company.

**A Shareholder has the right to designate a person (who need not be a Shareholder), other than the Management Designees to represent the Shareholder at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the proxy the name of the person to be designated, and by deleting from the proxy the names of the Management Designees, or by completing another proper form of proxy and delivering the same to the transfer agent of the Company.** Such Shareholder should notify the nominee of the appointment, obtain the nominee's consent to act as proxyholder and attend the Meeting, and provide instructions on how the Shareholder's shares are to be voted. The nominee should bring personal identification with them to the Meeting.

To be valid, the proxy must be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the proxy). The proxy must then be delivered to the Company's registrar and transfer agent, Computershare Investor Services Inc., Proxy Department, 320 Bay Street, 14<sup>th</sup> Floor, Toronto, Ontario, M5H 4A6, at least 48 hours, excluding Saturdays, Sundays and holidays, before the time of the Meeting or any adjournment thereof. Proxies received after that time may be accepted by the Chairman of the Meeting in the Chairman's discretion, but the Chairman is under no obligation to accept late proxies.

Any registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. A proxy may be revoked by a registered Shareholder personally attending the Meeting and voting their shares. A Shareholder may also revoke their proxy in respect of any matter upon which a vote has not already been cast by depositing an instrument in writing, including a proxy bearing a later date executed by the registered Shareholder or by their authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, either at the office of the Company's registrar and transfer agent at the foregoing address or the head office of the Company, at 1969 Upper Water Street, Suite 2001, Halifax, Nova Scotia, B3J 3R7, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof at which the proxy is to be used, or by depositing the instrument in writing with the Chairman of such Meeting, or any adjournment thereof. **Only registered Shareholders have the right to revoke a proxy. Non-registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective nominees to revoke the proxy on their behalf.**

#### **VOTING OF PROXIES**

Voting at the Meeting will be by a show of hands, each registered Shareholder and each proxyholder (representing a registered or unregistered Shareholder) having one vote, unless a poll is required or requested, whereupon each such Shareholder and proxyholder is entitled to one vote for each Common Share held or represented, respectively. Each Shareholder may instruct their proxyholder how to vote their Common Shares by completing the blanks on the proxy. All Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting when a poll is required or requested and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the Common Shares represented by the proxy will be voted in accordance with such specification. **In the absence of any such specification as to voting on the proxy, the Management Designees, if named as proxyholder, will vote in favour of the matters set out therein.**

**The enclosed proxy confers discretionary authority upon the Management Designees, or other person named as proxyholder, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. As of the date hereof, the Company is not aware of any amendments to, variations of or other matters which may come before the Meeting. If other matters properly come before the Meeting, then the Management Designees intend to vote in a manner which in their judgment is in the best interests of the Company.**

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an "ordinary resolution"), unless the motion requires a "special resolution" in which case a majority of 66 2/3% of the votes cast will be required.

As always, the Company encourages Shareholders to vote their Common Shares prior to the Meeting following the instructions set out in the form of proxy or voting instruction form received by such Shareholders. Regardless of whether or not you are able to be present at the Meeting,

please date, sign and return the form of proxy accompanying this Notice of Meeting. To be effective, forms of proxy must be received Computershare Investor Services Inc., Proxy Department, 320 Bay Street, 14<sup>th</sup> Floor, Toronto, Ontario, M5H 4A6, at least 48 hours, excluding Saturdays, Sundays and holidays, before the time of the Meeting or any adjournment thereof.

### **BENEFICIAL HOLDERS**

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” or “beneficial” shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the “Beneficial Holder”) but which are registered either: (a) in the name of an intermediary (an “Intermediary”) that the Beneficial Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESP’s and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, the Notice and Access notice and the Proxy (collectively, the “Meeting Materials”) directly, and to the clearing agencies and Intermediaries for onward distribution to Beneficial Holders. These securityholder materials are being set to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

Intermediaries are required to forward the Meeting Materials to Beneficial Holders unless a Beneficial Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Beneficial Holders. Generally, Beneficial Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Beneficial Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Beneficial Holder when submitting the proxy. In this case, the Beneficial Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and **deposit it with the Company’s transfer agent as provided above; or**
- (b) more typically, be given a voting instruction form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Beneficial Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one-page pre-printed form. Sometimes, instead of the one-page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Beneficial Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Beneficial Holders to direct the voting of the shares which they beneficially own. Should a Beneficial Holder who receives one of the above forms wish to vote at the Meeting in person, the Beneficial Holder should strike out the names of the Management Designees named in the form and insert the Beneficial Holder's name in the blank space provided. **In either case, Beneficial Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

#### **VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF**

The Company is authorized to issue an unlimited number of common shares, of which as at the date hereof, 114,375,253 common shares are issued and outstanding.

The holders of common shares of record at the close of business on the record date, set by the directors of the Company to be March 16, 2026, are entitled to vote such common shares at the Meeting on the basis of one vote for each common share held.

The By-laws of the Company provide that a quorum for the transaction of business at the Meeting is two persons present and entitled to vote at the Meeting.

To the knowledge of the directors and senior officers of the Company, no person beneficially owns, directly or indirectly, or exercises control or direction over, voting securities carrying more than 10% of the outstanding voting rights of the Company.

Those shareholders so desiring may be represented by proxy at the Meeting.

#### **BUSINESS TO BE TRANSACTED AT THE MEETING**

TO THE KNOWLEDGE OF THE COMPANY'S DIRECTORS, THE ONLY MATTERS TO BE PLACED BEFORE THE MEETING ARE THOSE REFERRED TO IN THE NOTICE OF MEETING ACCOMPANYING THIS INFORMATION CIRCULAR. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE SHARES REPRESENTED BY THE PROXY.

Additional details regarding each of the matters to be acted upon at the Meeting is set forth below.

##### **I. Financial Statements**

The audited financial statements of the company for the financial year ended October 31, 2025 (the "**Financial Statements**"), together with the Auditors' Report thereon, will be presented to the shareholders at the Meeting. Shareholders should note that in accordance with the rules of National Instrument 51-102 "Continuous Disclosure Obligations", Shareholders will no longer automatically receive copies of financial statements unless the Financial Statements Request Form (*in the form enclosed herewith or on the Proxy*) has been completed and returned as instructed. Copies of all previously issued annual and quarterly financial statements and related Management Discussions and Analysis are available to the public on the SEDAR+ website at [www.sedarplus.ca](http://www.sedarplus.ca).

##### **II. Appointment of Auditors**

Management proposes the appointment of Manning Elliott LLP, Chartered Professional Accountants, as Auditors of the Company for the ensuing year and that the directors be authorized to fix their remuneration.

**In the absence of instructions to the contrary the shares represented by proxy will be voted in favour of a resolution to appoint Manning Elliott LLP, Chartered Professional**

**Accountants, as Auditors of the Company for the ensuing year, at a remuneration to be fixed by the Board of Directors, unless the Shareholder has specified in the Shareholder's proxy that the Shareholder's Common Shares are to be withheld from voting on the appointment of auditors.**

### **III. Election of Directors**

The board of directors of the Company (the "**Board**" or the "**Board of Directors**") currently consists of six (6) directors, all of whom are elected annually. The term of office for each of the present directors of the Company expires at the Meeting. All of the current directors of the Company will be standing for re-election. It is proposed that the number of directors for the ensuing year be fixed at six (6), subject to such increases as may be permitted by the Articles of the Company.

It is proposed that the persons named below will be nominated at the Meeting. Each director elected will hold office until the next Annual General and Special Meeting of the Company or until his successor is duly elected or appointed pursuant to the Articles of the Company unless his office is earlier vacated in accordance with the provisions of the *Canada Business Corporations Act* or the Company's Articles.

**It is the intention of the management designees, if named as proxy, to vote for the election of the said persons to the Board of Directors, unless the Shareholder has specified in its proxy that its Common Shares are to be voted against the election of directors. Management does not contemplate that any of the nominees will be unable to serve as a director.**

### **IV. Approval of Stock Option Plan**

Shareholders are being asked to confirm re-approval of the Company's Stock Option Plan (the "**Plan**"), as originally accepted by the Canadian Securities Exchange (the "CSE") upon the Company's listing with the Exchange. The policies of the CSE require the approval of the Plan by the Company's shareholders every three (3) years. The Plan was last approved by the shareholders of the Company at the Company's Annual and Special General Meeting held on April 26, 2023.

The Company's Stock Option Plan is a "rolling" or "evergreen" plan pursuant to which 10% of the issued and outstanding common shares of the Company on the date of option grant are reserved for issuance upon the exercise of stock options. There are currently 114,375,253 shares of the Company issued and outstanding, and therefore the current 10% threshold is 11,437,525 shares available for incentive stock option grants under the Plan. As at March 16, 2026, the Company has 6,990,000 outstanding stock options. For further details regarding the Stock Option Plan, see "Equity Compensation Plan Information".

Whether or not the resolution is approved, all stock options currently outstanding under the Stock Option Plan will remain in effect in accordance with their terms. If the resolution is not approved, any currently unallocated options, rights or entitlements under the Stock Option Plan will no longer be available for grant, and previously granted options will not be available for reallocation if they are cancelled prior to exercise.

Accordingly, at the Meeting, the shareholders of the Company will be asked to pass the following ordinary resolution:

"WHEREAS The Board of Directors of the Company adopted a Stock Option Plan, which reserves for issuance pursuant to stock options a maximum number of common shares of the Company equal to 10% of the aggregate issued and outstanding common shares on the date of grant;

BE IT RESOLVED THAT:

- a) The Stock Option Plan is hereby ratified and confirmed; and
- b) Any officer or director of the Company be and is hereby authorized for and on behalf of

the Company to execute and deliver all documents and instruments, and to take all such other actions as such officer or director may deem necessary or desirable to implement the foregoing resolution and the matters authorized hereby, such determinations to be conclusively evidenced by the execution and delivery of such documents and other instruments and the taking of any such action.”

The Board of Directors has determined that the approval of the Stock Option Plan is in the best interests of the Company and its shareholders. The Board of Directors recommends that the shareholders vote FOR the adoption of the resolution set forth herein. Unless contrary instructions are indicated on the form of proxy, the persons designated in the accompanying form of proxy intend to vote FOR the approval of the Stock Option Plan.

**EXECUTIVE COMPENSATION**  
**(For the financial year ended October 31, 2025)**

For purposes of this Information Circular, “named executive officer” of the Company means an individual who, at any time during the year, was:

- (a) the Company’s chief executive officer (“**CEO**”);
- (b) the Company’s chief financial officer (“**CFO**”);
- (c) each of the Company’s three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year and whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be a named executive officer under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of the most recently completed financial year;

(each a “**Named Executive Officer**” or “**NEO**”).

Based on the foregoing definition, during the last completed financial year of the Company, there were four (4) Named Executive Officers, namely, its CEO, David Regan, its CFO and Corporate Secretary, Robert Randall, its Chief Medical Officer (“**CMO**”), Carman Giacomantonio and its former Chief Scientific Officer (“**CSO**”), Len Pagliaro.

**Compensation Discussion and Analysis**

In assessing the compensation of its executive officers, the Company does not have in place any formal objectives, criteria or analysis; instead, it relies mainly on discussions at the Board level with input from and upon the recommendations of the Human Resource and Compensation Committee (“**Compensation Committee**”).

The Company’s executive compensation program has three principal components: base salary, incentive bonus plan, and incentive stock options. The determination and administration of base salaries or incentive bonuses, or both, are discussed in greater detail below. When appropriate to do so, incentive bonuses in the form of cash payments, are designed to add a variable component of compensation, in addition to stock options, based on corporate and individual performances for Named Executive Officers, and may or may not be awarded in any financial year. The Company has no other forms of compensation for its NEOs, although payments may be made from time to time to individuals who are NEOs or companies they control, for the provision of consulting services. Such consulting services are paid for by the Company at competitive industry rates for work of a similar nature by reputable arm’s length services providers.

The Board has to consider the current and anticipated financial position of the Company at the time of any compensation determination. The Board has attempted to keep the cash compensation paid to the Company’s NEOs relatively modest, while providing long-term incentives through the granting of stock options.

The Company's executive compensation program is administered by the Board of Directors, upon the recommendations of the Compensation Committee, and is designed to provide incentives for the enhancement of shareholder value. The overall objectives are to attract and retain qualified executives critical to the success of the Company, to provide fair and competitive compensation, to align the interest of management with those of the Shareholders and to reward corporate and individual performance. The Company's compensation package has been structured in order to link shareholder return, measured by the change in the share price, with executive compensation through the use of incentive stock options as the primary element of variable compensation for its Named Executive Officers. The Company does not currently offer long-term incentive plans or pension plans to its NEOs.

The Company bases the compensation for a NEO on the years of service with the Company, responsibilities of each officer and their duties in that position. The Company also bases compensation on the performance of each officer. The Company believes that stock options can create a strong incentive to the performance of each officer and is intended to recognize extra contributions and achievements towards the goals of the Company.

The Board, when determining cash compensation payable to a NEO, takes into consideration their experience in the industry, as well as their responsibilities and duties and contributions to the Company's success. NEOs receive a base cash compensation that the Company feels is in line with that paid by similar companies in North America, subject to the Company's financial resources; however, no formal survey was completed by the Compensation Committee or the Board.

In performing its duties, the Board has considered the implications of risks associated with the Company's compensation policies and practices. At its early stage of development and considering its current compensation policies, the Company has no compensation policies or practices that would encourage an executive officer or other individual to take inappropriate or excessive risks.

### ***Option-Based Awards***

Stock options are granted to provide an incentive to the directors, officers, employees and consultants of the Company to achieve the longer-term objectives of the Company; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Company; and to attract and retain persons of experience and ability, by providing them with the opportunity to acquire an increased proprietary interest in the Company. The Company awards stock options to its executive officers based upon the recommendation of the Compensation Committee, which recommendation is based upon the Committee's review of a proposal from the CEO. Previous grants of incentive stock options are taken into account when considering new grants.

Implementation of a new incentive stock option plan and amendments to the existing stock option plan are the responsibility of the Company's Compensation Committee.

## **Termination and Change of Control Benefits**

As of July 7, 2020, Mr. David Regan became the Company's Chief Executive Officer. Pursuant to his employment contract, Mr. Regan is entitled to an annual salary of \$260,000, payable monthly. Should a change in control event occur for the Company, Mr. Regan may elect to terminate his employment with Sona, in which event the Company would be required to pay Mr. Regan a lump sum payment of up to 24 months of his then current base salary based on the value of the Company as of the date of the change of control.

Effective July 1, 2012, the Company entered into a consulting agreement (the "Consulting Agreement") with Randall Consulting Inc., pursuant to which Mr. Randall serves the Company as Chief Financial Officer and Corporate Secretary. Mr. Randall is paid an hourly rate for the provision of these services. The Consulting Agreement with Mr. Randall can be terminated by either the Company or Mr. Randall without penalty, subject to 30 days' notice.

## **EQUITY COMPENSATION PLAN INFORMATION**

### ***Current Stock Option Plan (compliant with CSE policies)***

The purpose of the Plan is to attract and retain directors, officers, employees and consultants of, and service providers to, the Company and to align their interests with shareholders by allowing them to directly participate in an increase in per share value created for the Company's shareholders.

Eligible participants under the Plan include directors, officers, consultants, and employees of the Company or its subsidiaries, and employees of a person or company that provides management services to the Company or its subsidiaries. Options under the Plan are typically granted in such numbers as reflect the level of responsibility of the particular optionee and his or her contribution to the business and activities of the Company. The Plan further provides that the exercise price at which shares may be issued thereunder cannot be less than the current market price at the time of grant, being the closing sale price per share for board lots of the Company shares on the CSE on the immediately preceding day and the said exercise price of any options so granted cannot be reduced without shareholder approval. Options granted under the Plan typically have five-year terms and are typically made cumulatively exercisable by the optionee as to a proportionate part of the aggregate number of shares subject to the options over specified time periods, such being dependent on the length of service and the level of responsibility the particular optionee has with the Company as at the time of the grant. In no event can the term of any option granted under the Plan exceed ten years. The existing plan provides that options are fully vested unless the Board imposes a vesting schedule. The Board typically imposes a minimum 24-month vesting schedule, with each option grant vesting in increments of 25% each six-month period.

In the event of a liquidation, dissolution, re-organization, merger, consolidation, or upon sale of substantially all of the property or more than eighty (80%) of the then outstanding shares of the Company to another company, all unvested options thereupon will immediately vest and may become exercisable by the optionee prior to consummation of the event that results in the termination of the Plan. Options are assignable only in limited circumstances, such as to an optionee's corporation controlled by such optionee. Subject to compliance with applicable requirements of the CSE, optionees may elect to hold options granted to them in an incorporated entity, wholly owned by them, and such entity shall be bound by the Plan in the same manner as if the options were held by the optionee. Vested options terminate within 30 days of the termination of an optionee's employment with the Company (subject to the earlier expiry of the options in the normal course) unless such termination is a result of death, in which case termination occurs upon the expiry of 12 months from the occurrence of the optionee's death (subject to the earlier expiry of the options in the normal course). Unvested options terminate immediately upon termination of an optionee's employment with the Company.

Under the terms of the Plan, "insider" shall have the meaning ascribed to it within security regulations, and:

- a) the number of securities issuable to insiders, at any time, under all security-based compensation arrangements, cannot exceed 10% of issued and outstanding common shares;
- b) the number of securities issued to insiders, within any 12-month period, under all security-based compensation arrangements, cannot exceed 10% of issued and outstanding common shares;
- c) the aggregate number of shares reserved for issuance under the Plan to any one person shall not exceed 5% of the issued and outstanding common shares;
- d) the aggregate number of shares issued to any one insider (including associates of that insider) within any 12-month period, pursuant to the exercise of options granted under the Plan, shall not exceed 5% of the issued and outstanding common shares;
- e) the number of options granted to any one consultant in any 12-month period shall not exceed 1% of the issued and outstanding common shares;
- f) the aggregate number of options granted to all persons employed to provide investor relation activities shall not exceed 1% of the issued and outstanding shares of the Corporation in any 12-month period; and
- g) Disinterested Shareholder Approval (as defined in the Plan) must be obtained for any reduction in the exercise price of the option if the optionee is an insider of the Company at the time of the proposed amendment.

Subject to applicable approval of the Exchange, the Board may, at any time, suspend or terminate the Plan. Under the Plan, the Board has the authority to make the following amendments or revisions to the terms of the Plan without requiring the consent of shareholders or the CSE:

- a) minor amendments or changes of a "housekeeping" nature;
- b) changing the terms and conditions governing options under the Plan, including with respect to the option period unless the option is held by an insider (provided that the period during which an option is exercisable does not exceed 10 years from the date

- the option is granted), vesting period, exercise method and frequency and assignability of an option;
- c) a change to the termination provisions of an option issued pursuant to the Plan which does not entail an extension beyond the original expiry date, including determining that any of the provisions of the Plan concerning the effect of termination of the optionee's employment or consulting agreement or cessation of the optionee's directorship, shall not apply for any reason acceptable to the Board;
  - d) changing the terms and conditions of any financial assistance which may be provided by the Company to optionees to facilitate the purchase of common shares under the Plan, or adding or removing any provisions for such financial assistance; and
  - e) delegating any or all of the powers of the Board to administer the Plan to any committee of the Board or senior officer of the Company.

### **INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS**

No Insider of the Company, no proposed nominee for election as a director of the Company and no associate or affiliate of any of the foregoing, has any material interest, direct or indirect, in any transaction since the commencement of the Company's last financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect the Company or any of its subsidiaries.

acted upon at the Meeting, other than the election of directors or the appointment of auditors, of any person or company who has been: (a) if the solicitation is made by or on behalf of management of the Company, a director or executive officer of the Company at any time since the beginning of the Company's last financial year; (b) if the solicitation is made other than by or on behalf of management of the Company, any person or company by whom or on whose behalf, directly or indirectly, the solicitation is made; (c) any proposed nominee for election as a director of the Company; or (d) any associate or affiliate of any of the foregoing persons or companies.

### **MANAGEMENT CONTRACTS**

Management functions of the Company and its subsidiaries are substantially performed by the Company's directors and executive officers. The Company has not entered into any contracts, agreements or arrangements with parties other than its directors and executive officers for the provision of such management functions.

### **CORPORATE GOVERNANCE**

#### **General**

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - Corporate Governance Guidelines provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 - Disclosure of Corporate Governance Practices ("NI 58-101") prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

#### **Board of Directors**

The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

The Board is comprised of six (6) directors, of whom four (4) are independent for the purposes of NI 58-101. Len Pagliaro is not independent as he is former Sona's Chief Scientific Officer. Jim Megann is not independent, since he is a director, senior officer and shareholder of Numus, a related company which receives consulting fees and other remuneration from the Company.

#### **Directorships**

Certain of the directors and proposed directors are also directors of other reporting issuers, as follows:

<b>Director</b>	<b>Other Reporting Issuers</b>
<b>J. Mark Lievonen</b>	Biome Grow Inc. Quest PharmaTech Inc.
<b>James (Jim) Megann</b>	Torrent Capital Ltd. E-Tech Resources Inc.
<b>Wayne Myles</b>	Torrent Capital Ltd. Nova Leap Health Corp. NL2 Capital Inc.

#### **Orientation and Continuing Education**

New Board members receive an orientation package which includes reports on operations and results, and public disclosure filings by the Company. Board meetings are sometimes held at the Company's offices and, from time to time, are combined with presentations by the Company's

management to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with all Board members.

### **Ethical Business Conduct**

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

### **Nomination of Directors**

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

### **Compensation Governance**

The Compensation Committee is responsible for, among other things, evaluating the performance of the Company's executive officers, determining or making recommendations with respect to the compensation of the Company's executive officers, making recommendations with respect to director compensation, incentive compensation plans and equity-based plans, making recommendations with respect to the compensation policy for the employees of the Company or its subsidiaries and ensuring that the Company is in compliance with all legal requirements with respect to compensation disclosure. In performing its duties, the Compensation Committee has the authority to engage such advisors, including executive compensation consultants, as it considers necessary.

The Compensation Committee is currently composed of Mark Lievonen, Walter Strapps and Neil Fraser, all of whom are independent directors within the meaning set out in NI 58-101. All three of the members of the Compensation Committee are experienced participants in business or finance and have sat on the board of directors of other companies, charities or business associations, in addition to the Board of the Company.

The Compensation Committee does not have a pre-determined compensation plan. The Company does not engage in benchmarking practices and the process for determining executive compensation is at the discretion of the Compensation Committee and the Board. For further discussion, see "Executive Compensation – Compensation Discussion and Analysis" above.

The Compensation Committee has not engaged the services of independent compensation consultants to assist it by making recommendations to the Board with respect to director and executive officer compensation.

### **Finance Committee**

The Finance Committee is responsible for, among other things, commencing plans to identify future sources of financing and/or strategic partners (Investors), to support the continued work of the Company in anticipation and following the release of Sona's Early First in Human Trials

(EFHT). The committee will work with management to review target investment and/or strategic company sponsorships with a view to cultivating interest in the Company in the near term, with an objective to identify financial or partnership programs or similar opportunities, which will allow the company to advance towards commercialization of its Sona THT therapy.

The Finance Committee is currently composed of Wayne Myles, Neil Fraser and James Megann. Messrs. Myles and Fraser are independent directors and Mr. Megann is not independent within the meaning set out in NI 58-101. All three of the members of the Finance Committee are experienced participants in business and finance and have sat on the boards of other companies, charities or business associations, in addition to the Board of the Company.

### **Other Board Committees**

The Board has no other committees other than the Audit Committee, Compensation Committee and the Finance Committee.

### **Assessments**

The Compensation Committee annually reviews the status and contribution of members of the Board, as well as the performance of the Board and changes are recommended where appropriate. The Board's assessment policy provides that the Board, its committees and each individual director should be regularly assessed through assessment questionnaires, a general assessment of the Board as a whole on responsibility, operations and effectiveness, an assessment of each committee against its written mandate, and an assessment of each individual director against the competencies and skills the director is expected to bring to the Board.

### **Diversity of Board and Management**

The *Canada Business Corporations Act*, which governs the Company, requires the Company to disclose the number and percentage of Board seats and senior management positions occupied by women, aboriginal peoples, persons with disabilities, and members of visible minorities. The Company does not have a person in these categories who serves on the Board (0%) or in any senior management position (0%). Due to its early stage of business development, the Company does not have a written policy relating to the identification and nomination of persons in such designated groups. The Board and management of the Company believe that diversity and inclusion is important to the future development and success of the Company, and qualified candidates in such designated groups will certainly be welcomed and considered for positions on the Board and in senior management as the Company grows.

## **AUDIT COMMITTEE**

Under National Instrument 52-110 – Audit Committees (“NI 52-110”) reporting issuers are required to provide disclosure with respect to its Audit Committee including the text of the Audit Committee's Charter, composition of the Committee, and the fees paid to the external auditor. The Company provides the following disclosure with respect to its Audit Committee:

### **Audit Committee Charter**

#### **Purpose**

The Audit Committee is ultimately responsible for the policies and practices relating to integrity of financial and regulatory reporting as well as internal controls to

achieve the objectives of safeguarding of corporate assets; reliability of information; and compliance with policies and laws. The committee will also be responsible for identifying principal risks of the business and ensuring appropriate risk management techniques are in place.

The Audit Committee charges management with developing and implementing procedures to:

- ensure internal controls are appropriately designed, implemented and monitored
- ensure reporting and disclosure of required information is complete, accurate, and timely.

The Audit Committee will make recommendations to the Board of Directors regarding items relating to financial and regulatory reporting and the system of internal controls following the execution of the committee's responsibilities as described in the mandate.

### **Composition of Committee**

The committee will be composed of a minimum of three (3) Directors from the Company's Board of Directors, with a majority of the members independent. Independence of the Board members will be as defined by applicable legislation and as a minimum each independent committee member will have no direct or indirect relationship with the Company which, in the view of the Board of Directors, could reasonably interfere with the exercise of a member's independent judgment.

All members of the committee will be financially literate as defined by applicable legislation. If, upon appointment, a member to the committee is not financially literate as required, the person will be provided a three-month period in which to achieve the desired level of literacy.

If any member loses their independent status following their appointment to the committee, they will be required to resign from the committee within three months of becoming non-independent. The Board will be required to replace the member within that three-month time frame. If it is the Chair of the Audit Committee that loses independent status, that person shall cease to be chair immediately and be replaced as chair by an existing member of the committee with the Board being asked to replace this member within the three-month time frame.

### **Authority**

The Committee has the authority to engage independent counsel and other advisors as it deems necessary to carry out its duties and the Committee will set the compensation for such advisors.

The Committee has the authority to communicate directly with and to meet with the external auditors and the internal auditor, without management involvement. This extends to requiring the external auditor to report directly to the Audit Committee.

## Responsibilities

1. The Audit Committee will recommend to the Board of Directors:
  - a. the external auditor to be nominated for purposes of preparing or issuing the auditor's report or performing other audit, review or attest services for the Company.
  - b. the Compensation of the external auditor.
2. The Audit Committee is directly responsible for overseeing the work of the external auditor engaged for the purpose of preparing or issuing the Auditor's Report or performing other review or attest services for the Company, including the resolution of disagreements between management and the external auditor regarding financial reporting. The Audit Committee will also ensure that the external auditor is in good standing with the Canadian Public Accountability Board ("CPAB") and will enquire if there are any sanctions imposed by the CPAB on the external auditor. The Audit Committee will also ensure that the external auditor meets the rotation requirements for partners and staff on the Company's audit.
3. The Audit Committee must pre-approve all non-audit services to be provided to the Company or its subsidiary entities by the Company's external auditor. The Audit Committee has delegated to the Chair of the committee the authority to pre-approve non-audit services up to an amount of \$5,000, with such pre-approved services presented to the Audit Committee at the next scheduled Audit Committee meeting following such pre-approval.

*De minimis* non-audit services satisfy the pre-approval requirement provided:
